## ***Danberrin Rock***

Looking for an easy escape for a weekend?

Travel just 10 minutes out of town and find yourself surrounded by extensive bush and vast views.

Danberrin rock is perfect for picnics and camping!

- Easy caravan turn around area
- Maintained long drop toilet

The rock itself is a lovely climb if you're looking for a source of exercise with a stunning reward when you reach the peak. The peak is marked by a tin tower and from there you are provided with a breath taking 360 degree view of the land cleared by original settlers.

### **Searching for some history?**
